<p><b>Splatter Painted Wolf/Reindeer</b></p>  <p>Create a stunning moon-lit wolf or reindeer sleigh using masking, drawing and splatter painting techniques. Based on the illustrations of Jon Klassen's in <i>The Wolf, the Duck and the Mouse</i>, this mixed media project includes a 'splatter painting station' which was a huge hit last time we ran this class - it will fill fast!</p>	<p><b>Pokémon Zine - "Gotta draw 'em all!"</b></p>  <p>You might not be able to catch 'em all, but we can certainly try drawing them! Make your own Pokémon Zine (mini book) or other favourite cartoon characters and mini corner bookmarks to match - great presents. Using paper folding, colouring and collage techniques, you'll take home as many as you can draw - Gotta try!</p>	<p><b>Gnomes and Their Homes</b></p>  <p>Did you know that Gnomes live in toadstools? This one does but yours might live somewhere else in the forest. Use watercolour pencils, paints and Sharpies, to create a gnome and design your own single or multi-level gnome's home. Fill it with your favourite things!</p>	<p><b>Beanie Boo Land</b></p>  <p>Welcome to Beanie Boo land! Learn to draw your favourite, sparkly, big-eyed characters and put them in an imaginary landscape. We'll create a colourful three-fold layered booklet for your Beanie Boos using markers, coloured pencils and sparkle pens! If you like, bring your own to practice observational drawing.</p>
Monday, 12.30 - 3.30 pm	Tuesday, 12.30 - 3.30 pm	Wednesday, 12.30 - 3.30 pm	Thursday, 12.30 - 3.30 pm
<p><b>Pop Up Card and Book Creations</b></p>  <p>Learn paper folding and cutting techniques as well as drawing holiday-themed items. Choose whether you use these to make pop-up cards (perfect time of the year for card making!) or your own pop up book. We'll look at elements of storytelling too!</p>	<p><b>"Curiouser and curiouser!" Clay World</b></p>  <p>So said Alice in Carroll's <i>Alice in Wonderland</i>, while Dr Seuss put it: "Fantasy is a necessary ingredient to living." Learn clay techniques as you are inspired by imaginary worlds to create a crazy clay creation filled with trinkets, beads, straws, pipe cleaners and sequins.</p>	<p><b>Photo Bombing Reindeer!</b></p>  <p>How cute is this?! Bright, vibrant colours are a feature of this English-born painter, Ted Harris, artwork. Using paint, paper tearing and drawing, create a mountainous landscape - but watch out for those photo-bombing reindeer!</p>	<p><b>Watercolour Animal Face Painting</b></p>  <p>Purrfectly wonderful! Students will use observational drawing to create a realistic animal portrait, based on artist Tamara Phillips. Learn how to infuse a sense of whimsy and movement into the portrait, as well as colour theory. A great way to end the week!</p>
