<p>Animal Portrait Painting</p>  <p>Paint a whimsical pet portrait inspired by artist Tamara Phillips. Using oil pastels lines to create movement and texture, we'll also explore warm and cool colour schemes. What animal will you paint?</p>	<p>Space City Printmaking</p>  <p>Create a fantastical scene of a city in space, surrounded by looming planets and a rough, harsh terrain. Learn scrape painting and shading techniques to create your planets. We'll print with Lego to create a series of towers and buildings. What an amazing cosmic landscape!</p>	<p>Seasons through the Window Paint, Printmaking & Collage</p>  <p>What's happening outside? Create a paint and paper collage as you explore the wonders of the seasons. Learn to draw a cute animal peering outside, seasonal details like flowers, butterflies, autumn leaves and snow-covered trees. Your choice of season!</p>	<p>Castle & Dragon Collage</p>  <p>Travel back to Medieval times to build and paint a cardboard castle. Use acrylic paint to create a colourful background. We'll learn how to draw and paint a dragon with moveable parts. Add extra details using markers and glitter.</p>	<p>Beneath Your Feet Watercolour</p>  <p>Become an archaeologist and explore the different layers of the earth from crust to core! Draw layers of ground from fossils to pipes to creepy crawly bugs. We'll use watercolour paints to colour. What hidden treasures will you draw?</p>
